The Committee has received the Request for Additional Information regarding its July 15 Quarterly report. It requests additional information on two potentially excessive contributions. Both are resolved through reattributions and redesignations reported on the Oct 15 Quarterly report. Half of the 6/30 contribution by Norman Jones was reattributed to his spouse on 8/14. The excessive portion of Jonathan Kalikow's 5/22 contributions was reattributed on 7/1.
